On June 5, 1996 eighteen native educators from Southeast Alaska informally met to discuss the need to formally organize a native teachers organization.

Many ideas and concerns were discussed. Many of us were shy! But, watch out! The next gathering will only continue to get stronger as our voices come together.

An organizational committee was formed with the election of Rhonda Hickok and Toni Mallot from Juneau, Isabella Brady from Sitka, Mary Jean Duncan and Jackie Kookesh from Angoon.

Isabella Brady and Jackie Kookesh were elected by those present to serve as co-chairs until the next meeting.

Sitka, Alaska is the site of the next gathering of Southeast Alaska Native Educators. Plans are also being made to have a Science Curriculum Workshop on Oct. 7 & 8th, 1996, sponsored by the Alaska Rural Systemic Initiative group and the Alaska Science Consortium.

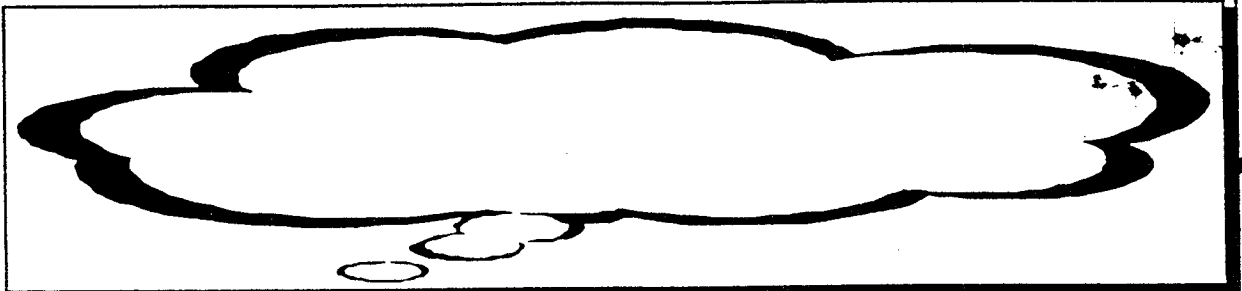

Arrangements will be made for a time and place. This information will be available at a later date. If any of you have ideas or can help with this please call Isabella Brady.

VOLUME 1

NUMBER 1

**G**athering all educators together in Southeast Alaska may seem impossible, but a task that must be done. We would like each person who attended the first meeting to contact other educators in your area and share this newsletter with them. We also need to begin a list of educators with their current positions held and contact addresses and telephone numbers. This will begin our efforts to put together a directory of Southeast Alaska Native Educators. Lets get connected!

**Writing a Mission Statement for SENE  
is our homework!**

A mission statement that defines the purpose and function of the group will be the focus of discussion at the next meeting.
