Walter H. Johnson,

SUBJECT, \_\_\_\_\_

Special Disbursing Agt.

Nome, Alaska.

Dear Mr. Johnson;

My voucher for expenses has been the rounds and ~~in~~ I am doing the regulation doctoring, the kind that has to be done over again so now if you can fix it this way I shall be glad.

You see that is one thing we did not learn at the Fair.

Mr. Shields does not allow for the boys but suggests that the meal for the guide be allowed. As I have this to pay out of my own pocket I should appreciate any allowance you can make.

However if this is not in proper shape just send it back and tell me what kind of medicine it needs any way.

Say, but some of those pictures are fine. *THANKS VERY MUCH.*

Our boys are starting to Noorvik and every body has burning feet and want to be on the move.

Noorvik Fair, March, ---1916.

Sincerely,

*Chas Replogle*
