

Nome, Alaska. April 2, 1914

Mr. C. Replogle,

Deering, Alaska.

Dear Sir :

A few days ago I wrote you that I had been allowed sixty dollars for additional fuel for your school. I ~~rece~~ received a telegram today telling me that \$82.50 had been authorized for that purpose, which was the amount I had requested, as you wanted three tons at \$27.50 per ton.

There must have been some confusion over the amount which amounts for the two telegrams I received. You are therefore authorized to purchase three tons for the above amount and send the vouchers to Nome.

Very truly yours,

Superintendent, N.W. District
