Nome, Alaska, Aug. 28, 1911.

Government Teacher,  
Deering, Alaska.

Dear Sir:

Enclosed herewith please find circular letter from the Department of Commerce and Labor which contains the act of Congress covering the fish, and the manner in which they may be caught, also a circular letter from the same department regarding the fur-bearing animals of Alaska.

You will please post the same in a public place.

Very truly yours,

District Superintendent.

Enclosure.
