Deering Alaska
March 21, 1908

Mr. G. N. Evans
Supt of Schools
Kotzebue, Alaska

Dear Mr. Evans:

I enclose monthly reports for Nov. Dec. Jan. & Feb. Will you kindly send in a few more blank report cards? This leaves me with none.

As you requested I took a census of the children of school age in Candle in Jan. There were twenty six in Candle, Kellauik and forty three adults. I have their names, if you wish them.

Jimmie, the teacher for the reindeer herd has been here. He left for the herd yesterday.

Mr. Wentworth very kindly assisted

Last week we rearranged our party. We had had a patient in our hospital for two weeks. I telephoned to the Dr. he made no charges. The telephone bill was three dollars. Frank is here.

Hoping you have had a pleasant trip and hoping you will visit us.

I am

very truly yours
