Deering Alaska
Aug. 29, 1908

Dear Mr. Evans:-

All goods except a few coal sacks are stored. Schooner North Bend left for Kotzebue about eleven A. M.

I am enclosing a list of Gov. supplies rec'd. I am ever so anxious to see in the boxes. There seems to be no school supplies as yet shown up.

The Eskimos are being very faithful these days in assisting me.

Mr. and Mrs. Dearbon were very kind in aiding in the work.

I hope you have returned by this time and feel rested

Sincerely yours
B. S. Cox
