Miss Iva Kenworthy,

Deering, Alaska.

My dear Miss Kenworthy:-

I am in receipt of a letter from Mr. Epedgraff chief of the Alaska Division, stating that certain of your salary vouchers had been signed by parties other than your self. It would be necessary for you to make out other vouchers in place of the vouchers which have been returned to you and sign them in proper form. A salary voucher cannot be signed by any other person than the one to whom the money is due.

Very truly yours,

Ass't. Supt. of Schools,
N. District, Alaska.
