Dr. E. D. Dawson,

Dear Sir,

Alaska

Dear Sir,

The Station has received your salary voucher for the month of September with a statement that no report for the month accompanied it. All appointees of the Alaska School Service are required to make a monthly report. Your report should state the number of pupils per day, number of cases treated, nature of diseases, number of deaths, cause of death, a statement of operations made during the month, a statement of sanitary conditions of the villages visited by you together with such recommendations as you think advisable for improvement of conditions.

Your reports should be made in triplicate, one copy to be sent to the Commissioner of Education, one copy sent to this office and one copy retained for the station files.

Very truly yours,

Asst. Sup't of Schools,  
Nome District, Alaska
