UNITED STATES GOVERNMENT

Washington, D.C.

Dear Sir:

Dear Madam:

I enclose herewith check for \$100.00, the same being
in payment for your voucher for 2 days in September.

It is my belief that you are entitled to full pay for
the month of September as you reached home on August 31st and
would not be entitled to such an amount. However, I have no authority
in the matter and this is only my personal belief. If your
voucher as you submitted it, that is for only 2 days, could be paid
then I will send you up to you another voucher for the 28 days of
September and send it to you with the check for the
Washington and if approved by the Commission, it will be paid
therefor. This understanding that I have no right to imply that the
Commission will approve such a voucher.

Your early vouchers and index of Public Affairs which
were assigned to persons at the office have been forwarded to Seattle
for payment there.

With best wishes for a happy New Year,
Yours truly,
Special Agent in Charge
