Dr. H. W. Newson,

Deering, Alaska

My dear Dr. Newson:

The following telegram was received from Seattle during my sickness.

Get from Redwood Deering letter signed Eugene Foster instructing to deliver St. Helena freight without payment seven hundred dollars and forward to me.

Sincerely,

I do not know whether this will be a very easy matter as Mr. Redwood may wish to keep the letter but with your please try to get it and forward it as soon as possible. Mr. Redwood could make a copy of the original and have it certified by you so that it is an exact copy of the original forwarded by you to me. I believe that would be a sufficient record for him.

Very truly yours,

If Dr. Newson is not at Deering when Mr. Newson please attend to
