Dear

Mr. Evans-

Supt. Schools-

We have had severe illness in our home so that we have not been able to hold school during only part of the month. Our boy has been very ill with typhoid for three days we did not think that he could live so that we have had a great strain in that line. Now he is recovering. Will it be satisfactory for me to make up the time at the end of the term and at Xmas? if

We have expected an assistant every boat. Mr. Hawkesworth told us that his former assistant went outside because you had no position open for her, and we could not understand that.

Sincerely yours,

Fannie L. Newsom
