SUBJECT _____

Mr. Walter Shields. Dear Sir.

I am sorry I have caused you trouble with the Seattle Firm. as I suppose they have written to you. but this reporting business was very new to me then & I did not fully understand what would be wanted in a report. I have made out a report, with the help of my diary, that I trust will be satisfactory.

I receive your check in good shape but I had hoped the one for \$68.⁺ would have been sent. such checks are cashed with less difficulty. I think I sent check & voucher about covering expenses to Kevilina. (in part.)

Respectfull

B. W. Newsom.

P.S. Mr. Cox signed another voucher for me when I was at Katzebun April 14. but as I did not have my diary with me I could not make it out. and before I got home I got it soiled so will have to get another signed. will do so as soon as I can.
