Mr. W. C. Shields,  
Special Disbursing Agent,  
Nome, Alaska.

Dear Sir:-

I am in receipt of yours of January 11, in regard to coal oil which was not delivered by E. A. Born at Deering, beg to advise that thru a misunderstanding of instructions, Mr. Born delivered this oil at Igloo, so that Igloo has a double allowance.

It was understood when Mr. Lopp was here that Deering would have to purchase locally.

Very truly yours,

*H. C. Sullivan*  
Supply Agent.
