DEPARTMENT OF THE INTERIOR
BUREAU OF EDUCATION
ALASKA SCHOOL SERVICE

SUBJECT

19

Dear Sir I have made no plans for the coming year but will remain if the Bureau so desires if suitable arrangements can be made. as the hospital is to be built at Ketchikan it will be expected I will have head quarters there I suppose I find there will be some cases that will need attention for a long time provided provisions are supplied for the patients at the hospital. The work will be very trying and fully justifies a salary of \$150. per month that is but one half what the doctor at Candle gets and is not even day wages here. I would like to know if there is a likelihood of my services being wanted before July First; for I want to make other arrangements by that time if I am not to remain.

Very Respectfully
B. W. Newsom.
