SUBJECT, _____

Mr. A. H. Evans District Superintendent

Dear Sir. I had hoped to hear from you by last mail as the next mail does not arrive until the middle of July. If I am to remain another year I think it would be well to spend some time in the summer at Kotzebue, as many natives will be there in the summer.

When you see Mr. Shields would you please ask him to send checks by some one. I have had to forward money for the drivers & am in need of money. if it is possible I would like it to be sent.

I have filled out the contract as the others were. I found nothing in the rules regulating the amount apprentices should receive. Hoping to hear from you at the earliest possible date I remain

Yours Sincerely

B. McNewson.

I understand there will be mail coming when the first boats arrive at Nome. can not information & checks be sent at that time.
