Dr. B. W. Newsom,
Deering, Alaska.

Dear Sir :

I enclose herewith my official check no. 433 for \$70.00. This covers your travelling expenses except the items of transportation since July first, about which I have written you.

It is impossible for the Governemnt to advance cash to its employees for their expenses. This may be done in very special cases, but only when the person is a bonded disbursing officer and even then only in rare cases. As your june salary voucher contained a dedudtmon for fees received I have sent it to Mr. Evans for his appro val. I trust to receive it in time to catch this mail.

Very truly yours,

Special Disbursing Agent.
