Chief of the Alaska Division

Seattle, Wash.

Dear Sir:

I enclose herewith a copy of the Trustees of the Milma Childrens report of the status of their herd etc for the past year. This copy is for Mr. Alfred Milma who is in Poulasbo. I believe, I would appreciate it if you would forward it to him.

Mr. White's task is a hard one as the lack of a market for the deer makes it hard for him to get any income for the children and the carelessness and looseness of their mother makes it hard for him to do much for the children. I wish you would draw Milmas attention to this matter. He should show more interest in these children than to leave them as they are at present. Please also draw his attention to the fact that Mr. White has not drawn the amount allowed him for his services.

Very truly yours
