Nome, Alaska, Nov. 9, 1915

My dear Mr. Nichols:

Mr Lopp has wired me as follows:

"Try to get Nichols blankets Wava"

I remember that Mrs. Samms had some blankets for Mr. O'Reilly and possibly for you. I know about these belonging to Mrs. O'Reilly but do not recall just what was done about yours. Will you please pass this letter on to Mrs. Samms and see just what she did with them?

Very truly yours
