ALASKA FRIENDS' MISSION
OF
CALIFORNIA YEARLY MEETING

WILSON H. COX IN CHARGE

KOTZEBUE, ALASKA, *Sept 21st* 1911

Kotzebue

Mr. A. N. Evans,
Dist. Supt. of Schools,
Nome, Alaska.

My dear Mr. Evans. -

You will remember that you told me that Mr. Hall promised to not keep Mrs Woodruff in his house of nights but a very short time after you were here this summer. She did go, of nights, to her cabin for a short time, as nearly as I can learn, but I am informed and feel quite sure that she is living with him day and night, as before and at the time you were here. I write this in order that you may know that I am convinced that he has not kept his promise made to you.

Yours truly,
W. H. Cox
