Mr. A. N. Evans,
Dist. Supt. of Schools,
Nome, Alaska

My dear Mr. Evans. -

Your letter concerning the trusteeship of the Nilima children is rec'd. Papers have not yet come from Mr. Nilima. I, certainly, do not want to stand out against doing what ought to be done in the interest of the children, but I did not feel that it was a wise thing for me to do to assume the trusteeship and make up a bond therefor when I intend to leave Alaska so soon. Upon the receipt of the papers I will sign if that seems to me to be the right thing to do. Of course I can not speak positively until after having seen the papers.

Yours truly,
W. H. Cox
