Mr. W. F. Lopp,  
Chief of the Alaska Division,  
Seattle, Wash.

Dear Sir :

Under separate covers I am sending you a set of exhibition of articles prepared by the Kotzebue School under Miss Hawk's supervision, for the fair. My letter did not reach here until late in November as the last boat mail to Kotzebue was a failure. I will be very sorry if these things arrive too late for you to use them for the fair as I believe they are especially creditable. However, even if too late for the fair I am sure that you will be glad to have them on exhibition at the office.

I would also draw your attention to the set of compositions, illustrated by Miss Hawk's photographs, which are sent in a separate envelope. These are very good and should be of considerable interest. You will also find among them two pictures illustrating Mrs. Nichols work as a practical teacher of sanitation.

Among these photographs are two that would make good advertisements for the Aloha machine and Ivory soap.

Very truly yours,
