My dear Miss Hawk :

Your good letter was received on the last boat. I am very sorry that I do not have the time to write you a good letter but I leave in a few minutes on the fast and commodious steamer New Jersey for Sinuk and my points.

Mr. Lopp came and he went. His visit did me much good but I am sorry that he could not do more for the rest of you. It is certainly too bad that Replogles had all that trouble. If they have not gone by this time it is possible that the Silver Wave will take them up, or if not, the ARCTIC. But I hope they have attempted it again.

Give my regards to the Nichols. I hope they did not get stuck on the NOTatak. I will send you some pictures on the next mail. I send myself in care of the Doctor two packages containing fillers for thermos bottles. Please file them away for my use this winter.

Very truly and sincerely
