

. Nome, Alaska, 1914.

Dear Doctor:-

I am mailing you a few checks and trust that you will have no trouble in getting them to the proper people. I send them to you so that you can check them up, also I believe it a good scheme for the checks to come to you so that you can see that the proper parties get them. This is list and what account they were charged against.

Education of the Natives of Alaska, 1915.			
M:34-2	Aug. 1. I Hobson;	5 cords wood	40.00

I believe that you will have no trouble in checking the above. In case that you are not sure about certain items, write me. I have only charged Hobson's wood against your new subauthorization. Best wishes for a successful winter. Tell Miss Hawk that it took a long time for the installation of the oil burner account to pass but as it is at last here I hope that the Company will be satisfied.

Very respectfully,

Special Disbursing Agent.
