SUBJECT, Closing of school

Mr. Walter Shields,
Supr. of U. S. Public Schools,
Nome, Alaska.

My dear Sir -

I closed school April 24th. Had there been more fuel on hand I would have taught until April 30. I used up all the fuel oil on hand and did not think it wise to buy another drum for four days.

The attendance kept up fine up to the last day. The people are preparing to go to Sealing Point and ours will soon be a deserted village.

Hoping that you will approve of the date of closing, I am

Very respectfully,
Lora B. Hank.
