ALASKA DIV. NOME, ALASKA. COPY

Will arrive to
Kotzebue too late to write
on the 15th mail so will
drop a line and forward it
to London via Native Express.

Expect to wait and go
to Nome, at least, on first
boat leaving Kotzebue in
July so please forward all
my mail to Kotzebue on
first boat leaving Nome,
after winter mail closes.

Have had a hard trip all
thru' and an expensive one.
Hope Shields gave me more
expense money otherwise I will be
out 50 or more. Will write
fully from Kotzebue. Write W. of Barbour
