Nov. 18, 1913.

Mr. Walter H. Johnson,
Nome, Alaska.

Dear Mr. Johnson:-

Your letter with big fat
wad enclosed just received. Thank you
for the trouble it put you to. And thank
you for hunting up a number of one
dollar bills. They will be most conve-
nient in paying small debts. This I
think will be cash enough to last us
for several months. We have debts in
Seattle for supplies brought North that
will take care of our assignments for a
little probably.

Thanking you again, I
remain as ever

Yours very truly,
H. N. T. Nichols, M. D.
