My dear Mr. Johnson -
Enclosed you will find vouchers. The one for washing walls is \$12 as you will see, and at that it is very cheap. About six people worked 26 hrs. You see that would be only 9¢ and a fraction an hour. Dr. S. said it was worth twice that amount, and you know he is not inclined to over-paying. Hoping both vouchers will be O.K.
Sincerely

Yours respectfully
Mathis Gedural

Height arrived O.K.
