

Nome, Alaska. Nov. 29, 1913

Dr. H.N. Nichols,  
Kotzebue, Alaska.

My dear Doctor Nichols:

I am enclosing an order for you to get all the mailed addressed to Nome and hold it for my arrival. However, I wish you to open all official letters and all financial matters, especially salary vouchers should be forwarded to Mr. Johnson at Nome at once. I do not wish to delay payments, but I do wish to see the mail from the north.

With best wishes to you all for a Merry  
Christmas,

Very truly yours,
