Mrs. Mary Tautuk,

My dear friend:-

I wish to write you just a few words. I would talk to you little more if I only talk to you when I was Igloo but I have no time.

I was very glad to meet you in the Fair, that you are wife of my best friend, Tautuk.

I will tell you that husband or wife ought to be. Also I would like to be. That is obey what each other say, you know even white people obey their husband or wife.

I love both of you, and I want both of you to try to obey and true to each other. It is sweet and good when husband and wife do right, it is far better than being rich.

I want you to write and tell me, about yourself, whether being true or not. If both of you obey and true to each other I would be very thankful than if some one give me five dollars. I will pray for you both and write more some time.

Live and love each other, not believe those who tell wrong story, but live like those you see that is right. This is the only thing I know of is to live right. I do like both of you. Best regard to all.

Don't do worldly things that is nice here in this world, but try to live close to bible. People who do what Bible say will live better live. Man will not have trouble if he remember Jesus our Lord.

This is all.

Your truly Friend
