Your favor of Dec. 16 is also at hand. As to the Eskimos who did the lightering of the freight, they do not expect their pay until next summer, I think, as I told them the voucher might have to be sent outside. I think they feel no anxiety. They know the pay is sure and will come some time.

Thank you for the Vouchers!  
Jan 29. Joe Unaleenya received the check from Seattle on last mail for \$82.75 <sup>lightering bill</sup> but he has to pay Mr. Magido \$1.75 to cash it for him. I think it is too bad.

If there is anything I can do to help Mrs. Iva Ashugak Taber to understand that she gets no pay for teaching at Deering in September and October, kindly let me know. She is always willing to do the fair thing for anyone.

She had received her regular appointment here from Washington, had signed and sent her acceptance and Oath of Office. Now I am not quite sure that I understand, but I suppose that the appointment to Buckland took the place of the other and the increase in salary was intended to pay for the teaching here. Is that correct? If so, I think I can get her to understand about it.

Thank you for Christmas wishes!  
May this be a pleasant year for you!  
Respectfully, Martha H. \_\_\_\_\_
