SUBJECT, Rearrangement of work

According to instructions received from Mr. Shields Dec. 16 we now have the school in two sections, the younger ones from 9 - 12:30, and the older ones from 12:30 - 4:10 making 7 hrs & 10 min. each day, and the older ones have cooking or washing 2 days each week from 9 A.M. till 12:30. One of the older boys assists Miss Florence Pommok with seat work and board work for the younger pupils.

I believe that in many ways more is being accomplished for the pupils than by the former arrangement of A.M. & P.M. sessions for all pupils, and there is much less confusion.

I have arranged with one of the older boys to direct the shop work for a while. My health is slightly improved.
