Mr. W. H. Johnson,

Dear Sir:

Your favor of Jan. 30
rec'd Feb. 21. Thank you for checks
for John Koschet (\$17.75) and myself (\$1.25)
You will notice on ^{voucher} bill of Robinson-Magids
Co., probably sent in on last mail, paint
and oil; I am hoping to get a little
painting done this spring by the party who
received \$10.00 of Destitution Fund.

We have 36 - 38 in school nearly
every day yet. My health is some
better, but not up to par.

The health of Eskimos here is quite
good this month, and this relieves me,
for the medical work has always been
hard for me.

Thank you for your kindness and
promptness.

Respectfully,

Martha Humnicutt
