Dear Mr. [Name]

I am in receipt of your letter and program and hope you will find your primary interest card and other data satisfactory and in accordance with your wishes.

I have had the Rules and Regulations sent some time ago and as yet have not received your reply, also my enclosed card of one of the agents in the field.

As you have none of the newspapers sent at this office you will have to send one and send your order, also a list of all the agents and number of children under their charge.

I have had the Rules and Regulations sent some time ago and as yet have not received your reply, also my enclosed card of one of the agents in the field.

Very respectfully,
