May 2, 1913.

Mr. W. C. Shields,

Today Jack Ungayuk is putting the 3rd coat of paint on our Industrial Kitchen, and it looks very nice and clean, green with white trimmings.

On Monday he will varnish the desks in the school room.

You will remember he is working to pay for the \$10. of Destitution Fund furnished him in the winter when his wife died.

Respectfully,

Martha Hunnicutt
