SUBJECT, _____

Dear Sir:

Some of the natives are coming over to see you if you would permit them to go to the new village on the Kobuck River. So far as I am concerned I think they have greater advantages anywhere else than Shishmaref. If you permit them it will be all right to me. Shishmaref is not a desirable place and we talked the matter over several times and concluded that some time in the future they will probably have to change.

Very truly yours,

T. W. Schultz
