Mr. Chas Repløgle.

Dear Sir:- Your letter at hand, We will take your freight for eighteen dollars a ton you load and unload. We could not take it until after the first Beat gets discharged, Last spring the Beat came here about the first of July, It would be taking a big chance to go before on account of missing to meet her here.

Yours truly.

Chas Dankert.

we need some kind of a guide and they will help in many ways.

It is so very kind of you to send a copy of the telegrams relating to Noorvik, as I can see what are some of your handicaps and I am sure Mr. Lopp will do all that he can for us.
