Gentlemen :

The local agent of the Mutual Life Insurance Company has handed me Mr. Forrest's policy recently issued by that Company. Its number is 2242 742, Amount \$2500 Premium \$78.73 due July 28th.

I am holding the policy in the office safe and will mail the same on the BEAR next summer. I have written Mr. Forrest and am sure that he will get the letter but am not sure that he will be able to get an answer back before the premium is due. I would therefore suggest that, as his salary is paid by you and has been assigned to some parties in the States, you refer this matter to those parties and if possible have the amount of the premium forwarded to me on the first boat. Should I get a reply from Mr. Forrest making a different arrangement I will inform you.

Very truly yours,

Superintendent N.W. District
