SUBJECT, _____

Dear Shields

Just time for a note. The Anna
Doe is here and ready to go.
The balance of my last
mail I sent by the Bear. In
my rush I overlooked this.

Yours truly
W.B. Shaw

Cap Beckman just got off
the bar at Wainwright I met
last Tues. and left here yester-
day morning for Barrow.

Hope you reach Wainwright with your
~~own~~ portable engine. I may have to
go to Kotzebue in the Spring.

Were about worn out handling cargo

Yours W.B. Shaw
