Mr. Fred M. Sickler,
U. S. Government Teacher,
Pt. Hope, Alaska via Tigara P. O.

Dear Sir:

I beg to acknowledge receipt of your three letters of January 28th. Alterations of the school building will be discussed when the Cutter visits Pt. Hope. We have already arranged for the transfer of the lumber to *cy Cape.

Regarding the reindeer supplies now on hand, I think it would be advisable to allow the apprentices a reasonable amount of supplies, particularly those who have families. I hope to arrange for additional apprentices for the coming year. I would suggest that Electroona have two or three available boys ready this summer, and if possible, will authorize their appointment.

With kind regards to yourself and wife, I am

Very truly yours,

Superintendent N. W. District.
