Mr. Walter C. Shields

Nome, Alaska.

Dear Mr. Shields,

Enclosed you will find list showing amount of supplies given in barter for fuel for the months of Sept. and October. Also "Bills of Sale" for your approval.

We have a great quantity of wood on hand now and have had no trouble about wood this year.

Mr. Ausley spent several days at the camp this week helping the boys separate deer for Peter Koluvtek and John Zoo-ma-chalik. They left with their deer yesterday morning for Okeik. Our boys have moved camp and have built separate cabins. Everything seems to be going nicely at the camp.

Mr. and Mrs. Hamms arrived Sunday morning. They now have charge of the

Church work. I am very glad they are here, as we find much more time for other necessary things now. I think we will get on beautifully together. They seem to be very fair minded about things and are not trying to crowd us out and monopolize everything. I believe if we work together we can accomplish a great deal and have a banner village.

We had a pleasant Thanksgiving yesterday - the usual feast. We are making preparation for a big time Christmas.

Dr. Nichols has been with us since Wednesday morning. He leaves in the morning. He gave all our school children a physical examination. We feel very proud of them. But few "bugs" were found and most all were strong and healthy. Mr. Ausley and the boys are making

have not received word when it is to
be.

With kind wishes from
Mr. Ausley and myself.
