Mr. Walter C. Shields,  
Nome, Alaska.

Dear Mr. Shields,

Your letter of Nov. 15th, stating that the Requisition and Inventory be made out in triplicate, just reached us Jan. 22nd. I had mailed you one copy of the "Requisition and Inventory" before this so am sending another copy for the Seattle office under separate cover. I trust this will reach you in time so as not to cause any delay. Had I known before that two copies were necessary I would have mailed them together.

Everything going nicely.

Yours truly,  
Claver A. Sibley
