Mr. Peter Fairfield  
about deer

My dear Peter: -

I am sorry that I did  
not get to see you this winter but I cannot  
take the time to come to Abies.

You are to go to Kootak  
at once and get your deer. You will get  
100 all together. You should get them before  
the fawns come. You will find a letter at  
Kootak telling you about it. I hope you will  
get to work now and take good care of your  
herd. You can move them from Kootak as  
soon as you think best.

Very truly yours

Walter Edward  
Swift.
