

Nome, Alaska. April 29, 1914

Mr. F. M. Sickler,

Shungnak, Alaska.

Dear Sir :

Since writing you my letter of April 27th. I have learned that Mr. Moran has not, as yet, filed any location, or made taken any legal steps to get Riley Camp set aside as a homestead. As you know, it even has to be properly surveyed first. At the present time it is therefore useless to take up the matter at all. I will be interested in getting all the particulars this summer or next winter.

Very truly yours,

Superintendent, N.W. District
