Mr. W. L. Shields
Nome, Alaska.

Dear Sir:-

Riley Jim has a new organ and I wish we might have an organ instruction book to help out. I wish you would try to get one for me in Nome and send up as soon as possible.

Jim's oldest girl seems very quick in learning music, and I think with an instruction book, and what little help I may be able to give her, she would be able to accompany the school singing.

Please let me know if you cannot obtain one in Nome, so that I will have time to send out this summer.

Respectfully Yours

F. Lawrence Dickler
