Mr. Walter Shields,
Assist. Dist. Supt.,
Nome, Alaska.

Dear Sir:

The first of this ^{last} month Dr. Chase of Kiana visited our camp. He treated several Eskimos and, I think, gratuitously, except in one case. I permitted him to use medicine from the Govt. Drug Dept. for this purpose and he was very conscientious about the quantities he used. He was very courteous in his manner and conduct while here. I do not wish this to be construed as a recommendation or otherwise but simply as a statement of facts.

Respectfully yours,
Leah Jones.
