Supt. Walter Shields,  
Nome,  
Alaska.

Esteemed Sir:

We arrived in Kotzebue June 13<sup>th</sup>. We did not plan on leaving Shungnak sooner than that date but <sup>Paul</sup> came and we had to go as it was our only chance for the summer to get a launch or probably any other craft.

There is a large number of our natives at Kotzebue and more are due here shortly. All but one or two families expected to leave Shungnak for other points inside of a week after our departure.

I expect to have all my reports in on the next mail.

Mr. S. my sister is planning on coming to Alaska this summer. If she comes to Nome will

you sort of look after her? This is her first journey alone.

If she needs money I shall assign my June vouchers to you and you can let her have it.

I am not sure that she will come as she is looking for a job from the government.

I will write you more on the next mail but in case she comes before that time will you see that she is taken care of.

I have given Mr. Harnden an order on you for \$25 if you have cashed my April warrant.

Respt. yours,  
Leash Jones.
