Mr. A. W. Evans,
Supt. U.M. Dist.,
Nome, Alaska.

Dear Sir:

We arrived today at end of 15 day journey from Kotzebue. We are well and goods are in good shape. Mr. Blaine was very courteous to us all along but his power was small and he had to double half the distance. Will say more later.

Mr. Evans as a peculiar favor to me I hope you will see that a Doctor can visit this place April 1st. Perhaps you can arrange the government doctors itinerary so that he will without failure be here on that date. If you cannot do this \$500 **COPY**
