SUBJECT, School Reports.

To the Dist. Supt.,
B. of Ed. of Alaska,
Nome, Alaska.

Dear Sir:

You will note that I am sending you three reports at one time. Just at the last moment before the mail went out in December I noticed an error in my November reports which was due to a mistake in the October reports. I did not ^{have} time then to change all the reports so held the November reports. I am sending the October reports rectified and with it then the December and November reports made out correctly. I hope this will cause you no great inconvenience and I shall try not to let it happen again.

Very truly yours,
Leash Jones.
