

Enclosed herewith is a voucher received from Edie Myers, together with the accompanying letter.

I know nothing of this matter except that upon your authorization Myers ~~entered into contract~~ ^{arranged} for transportation of freight, Katz, due to Shungual, Robinson Magids & Co of Candler informed me ~~in Jan.~~ ^{in Dec.} 1909 that Herman Bernhardt had assigned some money to them and as near as I could learn from them, it was for the freight represented on this voucher, and I enquired of Myers concerning it. He informed me that he had turned over the voucher to Bernhardt and knows nothing more of it.
