SUBJECT, Digging Cellar

Mr. A. W. Evans,  
Dist. Supt. Bureau of Education,  
Nome, Alaska.

Dear Sir:

It seems necessary that there should be a cellar under the living apartments of this school house as was realized by the last Dist. Supt. when he visited this place for he gave Mr. Sickler, the teacher, permission to build the same. Feeling, therefore, that the Department realized the great necessity of such an equipment for the school I have ordered one made 8 ft. x 10 ft. x 8 ft. Should you, however, not deem it advisable at this time, I shall stand the expense myself. If you do approve it, will you inform me upon which appropriations to draw for wages.

Very respectfully yours,  
Lehaskoff  
Teacher & S. Supt. R. H.
